

# PRAVILA IN PRIPOROČILA ZA STARŠE NA ZMAJČKOVEM TURNIRJU

## 1. Hokej je ekipni šport!

- spodbujajte prijateljstvo med otroci
- zmaga je ekipni dosežek in prispevek vsakega posameznika je pomemben.

## 2. Podprite trenerje in pustite otrokom igrati!

- otroci so tisti, ki igrajo
- naj se zabavajo in sodelujejo z veseljem

## 3. Spoštujte prostor hokejistov – garderobo!

- dostop imajo samo igralci, tehnični vodje in trenerji
- pravočasno pripeljite otroka na tekmo (1 uro pred prvo tekmo).

## 4. Spodbujajte športno igro (in ne nešportno)!

- načela fair playa ustvarjajo primerno športno okolje za otrokov osebnostni razvoj
- spoštujte pravila, nasprotnike, sodnike in se primerno odzivajte na njihove odločitve.  
ZLATO PRAVILO komunikacije: do uradnih oseb se vedite tako, kot bi sami želeli, da se oni vedejo do vas.

## 5. Na tekmaah zastopate tudi klub!

- pomagajte nam ustvariti pozitivno vzdušje na tekmovanju
- dobro sodelovanje med starši pripomore k dobremu sodelovanju otrok
- kričeča navodila s tribune otroka zmedejo in motijo
- kulturno navijajte in bodite dober vzor otrokom.

## 6. Prekomerno uživanje alkohola ne sodi na športne dogodke otrok!

- vedno je potrebno imeti oblast nad seboj in svojimi ravnanji
- s športom se borimo tudi proti zasvojenosti z alkoholom in drogami.

## 7. Naj bo otrok ponosen na vas!

- pomagajte otroku razviti pozitiven odnos do vloženega truda in užitka v igri (npr. pred tekmo: »Drži se, daj vse od sebe in imej se dobro« po tekmi: »Ali si se imel dobro? Si dal vse od sebe in pokazal, kar znaš? Česa si se naučil?«)
- hokej je lep, a tudi zahteven; podprite otroka, ne glede na to kako uspešen je v igri.

# **RULES AND RECOMMENDATIONS FOR PARENTS AT THE ZMAJČEK TOURNAMENT**

## **1. Hockey is a team sport!**

- Encourage friendships among children.
- Victory is a team achievement, and every individual's contribution matters.

## **2. Support the coaches and let the kids play!**

- The kids are the ones playing.
- Let them have fun and enjoy participating with enthusiasm.

## **3. Respect the players' space – the locker room!**

- Only players, team staff, and coaches are allowed access.
- Ensure your child arrives on time (1 hour before the first game).

## **4. Encourage sportsmanship (and not unsportsmanlike behavior)!**

- Fair play principles create a positive sports environment for children's personal development.
- Respect the rules, opponents, and referees, and respond appropriately to their decisions.

THE GOLDEN RULE of communication: Treat officials the way you would want them to treat you.

## **5. At games, you represent the club as well!**

- Help us create a positive atmosphere at the tournament.
- Good cooperation among parents leads to better teamwork among children.
- Shouting instructions from the stands confuses and distracts the child.
- Cheer respectfully and be a good role model for the kids.

## **6. Excessive alcohol consumption does not belong at children's sports events!**

- Always remain in control of yourself and your actions.
- Through sports, we also fight against addiction to alcohol and drugs.

## **7. Make your child proud of you!**

- Help your child develop a positive attitude towards effort and enjoyment in the game (e.g., before the game: "Do your best, give it your all, and have fun!" After the game: "Did you have fun? Did you give your best and show what you've learned? What did you learn?").
- Hockey is beautiful but also demanding; support your child regardless of how successful they are in the game.
